

Order Reference Guide - HandHold

Use this Guide as a work sheet for HandHold options

HandHold Basket Option *See HandHold Option data sheet for detailed specifications*

Step 1) Choose which Option you need based on the required number of Duplex Power Receptacles.

- HH – HandHold basket with no power
- HR – HandHold basket with one duplex power receptacle
- HT – HandHold basket with two duplex power receptacles

Step 2) Place HandHold Option designator(s) in the appropriate Series example below. Each HandHold designator uses two (2) spaces.

Note: HandHold baskets are generally used without Inserts. However, Inserts may be mounted in the normal position by ordering the Insert Bracket kit below.

Step 3) Place the Door style number in the appropriate Series example below.

Note: See Order Reference Guide - FMCA for Door style choices.

Step 3) For Insert Bracket kit, choose the Insert Type from the Moduline Insert Data Sheet or use Table 2 as a reference.

Step 4) Optional laser cut bottom panel expander kit to accommodate larger connectors or special application configurations.

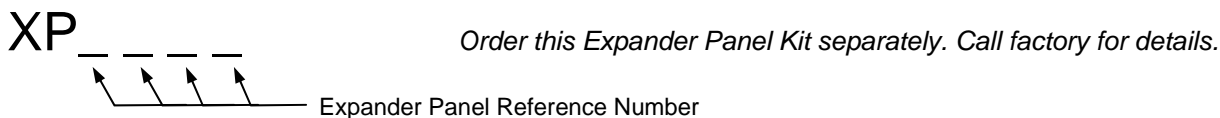

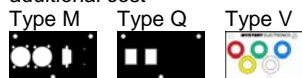

Table 2 - see the Moduline Insert Data Sheet for complete details of Insert Types

Standard Inserts
included in base cost

Plus Inserts
additional cost

Custom Inserts
